### FLEEING TO CALIFORNIA

SAN FRANCISCO.—Private advices  
received in this city yesterday from  
the American colony at Metalltoyne,  
in the state of Puebla, Mexico, give de-  
finite information of the assassinations  
by jealous peons. There are several  
Californians in the colony and in view  
of recent events they are fleeing to  
this country for their lives. The  
Mexican government has sent troops  
to the colony in the hope of capturing  
the assassins who, during the past four  
months have murdered three Ameri-  
can settlers in cold blood.

### THE LOWEST NOTCH

Thirty Degrees Below Zero  
in Montana.

### SUNSHINE IN ARIZONA.

Railroad Traffic Interfered  
With and No Signs of  
Abatement.

### OVERCOATS IN DEMAND.

HELENA, Mont.—The worst snow  
storm that has visited Montana for  
years has been raging here thirty hours  
and shows no sign of abatement.  
A foot of snow has fallen, tying up all  
the street car lines in Helena. The  
storm is general throughout the north-  
west and the snow is so deep that rail-  
road traffic is seriously interfered with.  
The cold is extreme, the mercury  
ranging from five to thirty degrees be-  
low zero.

PITTSBURG.—The miners' officials of  
this district have formally demanded  
an increase of 6 cents per ton in the  
price of mining to take effect on De-  
cember 1. It is thought the advance  
will be granted.

Last August while working in the har-  
vest field I became overheated, was sud-  
denly attacked with cramps and was  
nearly dead. Mr. Cummings, the drug-  
gist, gave me a dose of Chamberlain's  
Colic, Cholera and Diarrhoea Remedy  
which completely relieved me. I now  
keep a bottle of the remedy handy. A.  
M. BUNNELL, Centerville, Wash. For  
sale by DRUGGISTS.

EN PROSPECTOR.—I beg to advise  
that our west bound train now passes  
Benson at 11:35 p. m. instead of 12:15  
a. m. The east-bound limited passes  
Benson Mondays and Thursdays at  
8:21 a. m., and the west-bound Wed-  
nesdays and Saturdays at 4:05 a. m.

Yours truly,  
F. S. WEBSTER,  
Agent.

Piles! Piles! Itching Piles!  
SYMPTOMS—Moisture; intense itching  
and stinging; most at night; worse by  
scratching. If allowed to continue tu-  
mors form, which often bleed and ulcerate  
becoming very sore. Swayne's Ointment  
stops the itching and bleeding, heals ulcera-  
tion, and in most cases removes the  
tumors. At druggists, or by mail, for  
50 cents. Dr. Swayne and Son, Phila-  
delphia.

Copper is still advancing. Quite a  
number of inquiries are being made  
for properties containing fair percent-  
age of the metal, and doubtless there  
will be many claims bonded and sold  
this winter. Arizona is rich in copper  
and will be greatly benefited in the  
advanced price of the metal.

### DISASTROUS PRARIE FIRE

WASHINGTON.—Official announce-  
ment is made by the Honduran gov-  
ernment through the Universal Postal  
union that by virtue of a compact of  
the Central American union, signed by  
the governments of Nicaragua, Salva-  
dor and Honduras, each of those three  
republics has constituted itself a state.  
These states, it is said, will form one  
republic under the name of the "Great-  
er Republic Central America."

GUTHRIE, O. T.—A disastrous prairie  
fire swept over the Samboia country  
this morning near Rochelle. Sixteen  
persons, it is reported, were burned to  
death. The fire was started by out-  
laws fleeing from a posse of deputy  
marshals. Most of the people burned  
were half-breed Indians.

OMAHA.—One of the severest sleet  
storms in the history of the state pre-  
vailed in Nebraska last night. Rain  
fell during the day and froze almost as  
soon as it touched the ground. All  
Omaha is caked with ice as slippery as  
glass. During the day street traffic  
was out of question.

### Gladness Comes

What a better understanding of the  
transient nature of the many phys-  
ical ills, which result before proper ef-  
forts—gentle efforts—pleasant efforts—  
rightly directed. There is comfort in  
the knowledge that so many forms of  
sickness are not due to any actual dis-  
ease, but simply to a constipated condi-  
tion of the system, which the pleasant  
family laxative, Syrup of Figs, prompt-  
ly removes. That is why it is the only  
remedy with millions of families, and is  
everywhere esteemed so highly by all  
physicians, but if in need of a laxative,  
one should have the best, and with the  
well-informed everywhere, Syrup of  
Figs is the highest and is most largely  
used and gives most general satisfaction.
